Re: London 2012 Paralympic Games Qualification Guide and
2010 IPC Shooting World Championships Direct Allocation Slots

Dear IPC Shooting friends,

Following the 2010 IPC Shooting Sport Forum and the recommendation by IPC Shooting for modifying the London 2012 Paralympic Games Qualification Criteria please be informed that the updated version of the Qualification Guide for Shooting is available on the IPC website under: [http://www.paralympic.org/Paralympic Games/London 2012/Qualification Criteria/index.html](http://www.paralympic.org/Paralympic_Games/London_2012/Qualification_Criteria/index.html)

According to the qualification criteria the direct slots are allocated to the NPC and not the individual athlete in the following event order: R1, R2, P3, R3, R7, R8, P4, R4, P2, R6, P1 and R5. The same event order will be followed for the 2011 IPC Shooting World Cups (Paralympic Qualifiers) for the direct slots allocation.

During the 2010 IPC Shooting World Championships 24 slots were allocated and those are provided below. The athletes names on the below table are only for information (from which athlete the direct slot was attained for the NPC).
